MONUMENTAL SCALE

Predator Z650
Epic gaming? How about
MONUMENTAL!

Predator Z650

Survey the battlegrounds with your soldiers and prepare for a truly monumental experience.

SET UP ANYWHERE

Play games anywhere with short throw projection. From 1.5 meters, you can share 100 inches of gaming goodness. The Z650 also features wireless streaming at lossless 1080p¹, and our HiddenDongle design that keeps extra feature dongles out of the way.

GLORIOUS GAMING

Enjoy killer visuals with Predator Z650's Auto Game mode which analyzes content in real time and automatically enhances it. You can also capture a screenshot of an epic win or beautiful game artwork to use as your personal splash screen.

PORTABLE AUDIO

Entertain your crowd with the Predator Z650's built-in dual DTS® Sound speakers that can make some serious noise. And for a wireless audio experience, you can even connect to a Bluetooth headset, sound bar or sound system.

1. Wireless streaming is a feature of the Wireless HD-Kit, an optional accessory. Availability may vary by region.
