

Home Cinema 2250 3LCD 1080p Projector

Bring Home the Big Screen

Stunning picture quality — delivers an immersive viewing experience for TV shows, sporting events, gaming and movies by accepting content up to 4K – for an amazing Full HD picture

Smooth, crisp images — with Image Enhancement and Frame Interpolation

Built-in Android TV¹ — latest Android TV interface with a simple-to-use remote – including voice search with built-in Google Assistant™. Watch all your favorite streaming channels including Hulu, HBO, YouTube™ and more² without an external streaming media player

Best-in-Class Color Brightness³ — advanced 3LCD technology displays 100% of the RGB color signal for every frame. This allows for outstanding color accuracy while maintaining excellent color brightness, without any distracting “rainbowing” or “color brightness” issues seen with other projection technologies

Ultra bright picture — 2,700 lumens of color and white brightness⁴

Easy setup — built-in 10 W speaker and easy setup for HD entertainment right out of the box

Built-in vertical lens shift — change the position of the image without moving the projector up or down

Amazing dynamic contrast ratio — up to 70,000:1 for rich detail in dark scenes

Versatile connectivity — features an HDMI® port, so you can connect your cable/satellite box, Blu-ray Disc player, gaming console or streaming device

Award-winning service and support — standard 2-year limited warranty, full-unit replacement, along with free technical phone support for the life of the product
